**Maximum accommodation capacity is 51**

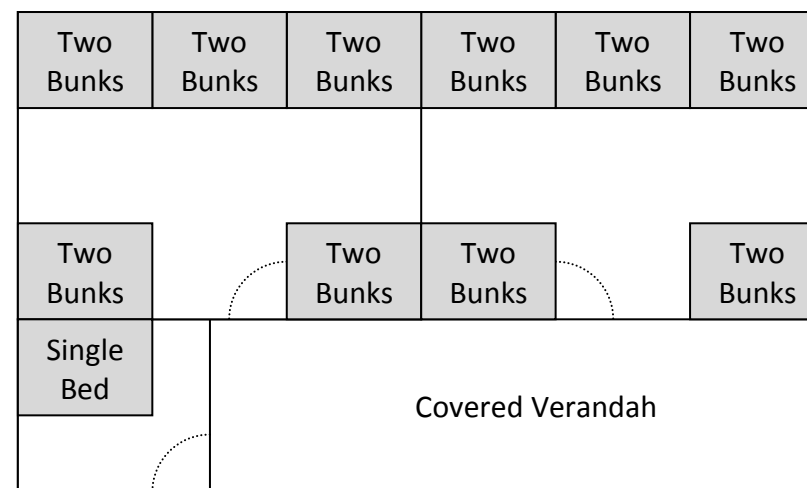

# THE BARKS FLOOR PLANS

Iron Bark, Paper Bark & Stringy Bark

Candle Bark

Candle Bark	Sleeps 21
Iron Bark	Sleeps 10
Paper Bark	Sleeps 10
Stringy Bark	Sleeps 10
<hr/> Total Beds	<hr/> 51

**Maximum accommodation capacity is 51.**

This is using all available beds in each of the cabins – including the living areas. As a rule, Candle Barks beds must be filled first. If the group numbers exceed 21, the end rooms in each of the other cabins must be filled next (four single beds per cabin) and the living areas in each of these cabins should be filled last (two doubles and two single beds per cabin).
